DIRECTIONS TO CAMP BROSIG - SEALY, TEXAS

Take Interstate 10, traveling West from Houston, to Sealy, TX, Exit at State Highway 36.

From the traffic light on Highway 36 where you exit from I-10, turn left (North) and go 5.1 miles until you pass the intersection with Farm Road 331. Another 0.6 miles past 331 is Trenckmann (a blacktop road to the left – West).

The road is hard to see at night. On the S.W. corner is a street sign identifying the road as Trenckmann Road; on the N.W. corner is a Camp Brosig sign.

Go 1.6 miles on Trenckmann Road to Camp Brosig gate on the left (south).

Troop 1089 at first campsite on the right (hopefully!).

No cars are allowing in the campsite.

Total time for the drive from Houston is approximately one hour.
